Vision

Excellence in education;
commitment to society

Mission

Create an atmosphere that facilitates sensitizing the young Technocrats to the needs of the community with relevant inputs of academic, innovative and research capabilities

SDM Institute of Technology (SDMIT) is aimed at imparting quality education blended with traditional values to ensure holistic development of its students. Dr. D. Veerendra Heggade, the motivational force behind all the ventures initiated by SDM Educational Society, believes that the socio-economic development of the rural community can happen only through education. Keeping this in mind, SDM Institute of Technology chose a rural area to locate itself and was founded in 2007 at Ujire, which is about 65 kms away from Mangalore and just a short distance of 8 kms from the renowned temple town of Dharmasthala.
